

INTERNSHIP PROGRAM APPLICATION

Internship selection will be competitive. Application for an internship does not guarantee one will be available. Because the number of professional internships are limited in any given year, students applying must meet the following criteria:

- Be a junior, senior or graduate student.
- Have a “B” average in all Film and Media Arts courses in the last two semesters.
- Students who have completed FILM 3500 (Film Production 1), with a “B” grade or higher will be given preference.

NAME: _____
